

GX SERIES

ROW GX TRAINER

1

COMPACT AND EASY TO MOVE

Easy to move, store upright in homes and basements, and has a small footprint to fit in any space.

2

NATURAL FEEL

The unique Fluid Technology resistance system delivers a smooth and natural feel, and allows for easy resistance adjustments. Offers 16 resistance levels, the widest adjustable resistance range of any rower, without the hassle of adding or siphoning water.

3

EASY-TO-USE

Offers a higher seat to easily get on and off, an adjustable footboard with foot straps, and an ergonomic handle that minimizes strain on hands, wrists and arms.

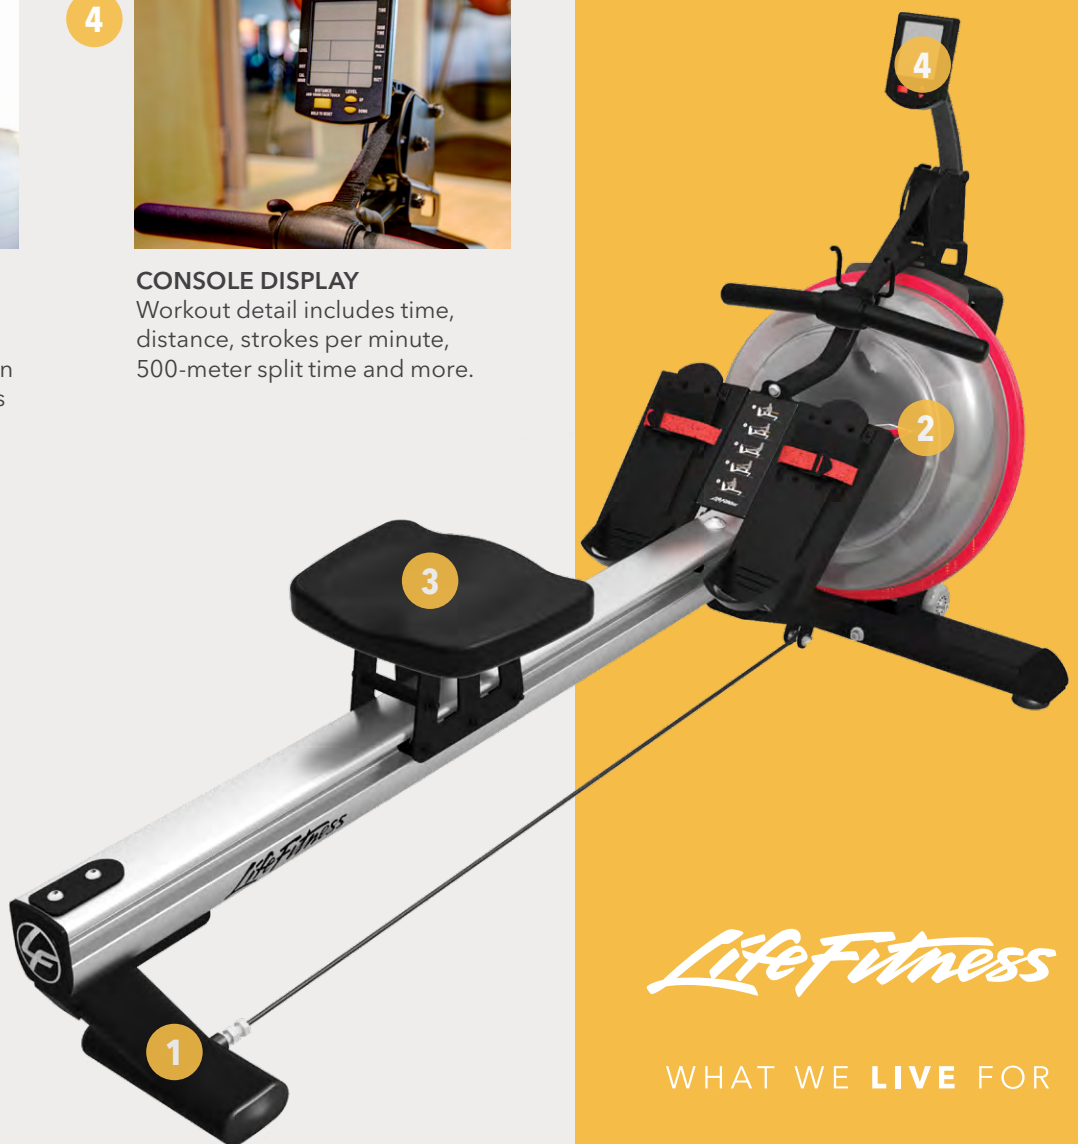

4

CONSOLE DISPLAY

Workout detail includes time, distance, strokes per minute, 500-meter split time and more.

The Row GX™ Trainer is perfect for a low-impact, total-body workout at home. It uses Fluid Technology resistance to deliver a smooth and natural feel. The Row GX accommodates the whole family and delivers premium club quality performance from the convenience of your home.
